REMARKS

Claims 50-97 were pending in the above referenced application. The Examiner has indicated that Claims 50-83 are in condition for allowance and that Claims 84-97 are rejected. Applicant has canceled Claims 84-97 without prejudice leaving only allowed Claims 50-83 pending. This action, makes moot the rejections of Claims 84-97 and as only allowed Claims 50-83 are pending, places the instant application in condition for immediate allowance. Which action is earnestly sought. If, however the Examiner's next action is anything other than a Notice of Allowance, the Examiner is requested to call the undersigned to schedule a telephonic interview. The undersigned is available during normal business hours, Pacific Coast Time.

In addition, Applicant requests that the Examiner indicate in the anticipated Notice of Allowance, whether or not the corrected drawings for this application, submitted April 5, 2000, have been approved.

Respectfully submitted,

Dated: Nov 2, 2001
